TO: D & P CRICKET SERVICES

Thank You

On behalf of the Western Province Cricket Association, I would like to warmly thank the company for donating second hand kit to be distributed among the underprivileged and needy.

We are most thankful and will ensure that it is handed to deserving players. I am sure that the recipients will definitely benefit tremendously and that it will contribute towards making cricket a game to be enjoyed by all.

Once again, a warm thank-you.

Yours sincerely
